

- **Event:** Program on Artificial Intelligence
- **Date:** July 18th, 2022
- **Venue:** New Seminar Hall

#### Key Figures:

1. **Inaugurator:** Dr. K.M Khaleel
2. **Chief Guest:** Jyothi.V, Assistant Professor at Peoples Co-op College, Munnad

#### Highlights:

- The event focused on Artificial Intelligence (AI) and its implications.
- Dr. K.M Khaleel inaugurated the program, signaling the commencement of the event.
- Jyothi.V, an Assistant Professor at Peoples Co-op College, Munnad, served as the chief guest. She delivered an informative talk on Artificial Intelligence, likely covering various aspects such as its applications, advancements, challenges, and future prospects.
- The talk would have provided attendees with insights into the rapidly evolving field of AI, its impact on various industries, and its potential to transform society.
- Attendees likely gained a deeper understanding of AI technologies, including machine learning, neural networks, natural language processing, and robotics.
- The program aimed to enhance participants' awareness and knowledge of AI, enabling them to appreciate its significance and explore opportunities in this field.
- Overall, the event served as a platform for learning and discussion, fostering dialogue and collaboration among participants interested in the field of Artificial Intelligence.
