Developmental Activities:

Our Management is very keen and enthusiastic in the overall development of the Institute and magnanimous in allotting funds. Laboratory Equipments were purchased for the Microbiology and Biotechnology Departments. Old Computers were replaced by new ones in Computer Science Laboratory. Library books were purchased. The Construction of the new College building is going on progress.

The Management of this Institute is the main strength of its curricular and extracurricular activities. The dedicated members of the CDMEA and Governing body are in the forefront whenever their advice and services are necessary. I take this opportunity to express my deep sense of gratitude to Adv. P. Mahamood, President CDMEA; Janab. Mahamood Allamkulam, General Secretary CDMEA; Dr. C. H. Aboobacker Hajee, Governing body Chairman of the Sir Syed Institute and all other executive members of the CDMEA for their whole hearted support in running the Institution smoothly.

I place on record with gratitude the unconditional support extended by the teaching staff, ministerial staff, PTA and office bearers of the students' union and all other well-wishers of our Institute in running the College smoothly. I hope the same trend will continue in the coming academic years as well.

I wish all my students and colleagues the very best in their future endeavours.
