# PROSPECTUS 2026-2027

Sir Syed Institute for Technical Studies is a prestigious project of Cannanore District Muslim Educational Association (C.D.M.E.A). It is named after Sir Syed Ahmed Khan to perpetuate the memory of the pioneer of muslim educational movement in India. The institution is purely secular, cosmopolitan and co-educational. It celebrates its twenty fourth year of unmatched excellence in shaping careers and building lives.

Sir Syed Institute for Technical Studies is an unaided self-financing college affiliated to Kannur University. It started functioning in october 2002 and is in continuous pursuit of excellence and therefore provides quality education. It continues to make substantial progress every year, by way of its exemplary functioning. The institute offers 3 P.G courses in Biotechnology , Microbiology , Biochemistry and 14 U.G courses in B.Sc. Computer Science , B.Sc. Microbiology , B.Sc. Biochemistry , B.Sc. Biotechnology , B.Sc. Psychology , B.Sc. Food Technology , B.Com. Computer Application , B.Com Finance , B.Com Marketing , B.Com Co-operation , B.B.A , B.C.A, B.A English and B.A Economics. It proposes on adding more courses in future academic years for the growth and betterment of the students and society. Admission to all the courses is based on merit and management quota following all the norms of reservations laid down by the government. The college also offers central sector, post metric, e-grantz, merit and shayi scholarships for students. The institution possesses outstanding infrastructure and state of the art facilities.

It also holds a computerized reference library with a well updated bibliotheca and a well-resourced IT Department. The departments of Biotechnology, Microbiology, Biochemistry, Food Technology and Psychology in the institution holds well-equipped and matchless laboratories that can easily keep pace with any of the modern research laboratories. Broadband access within the college is smooth and uninterrupted. The institution also possesses a well-resourced Seminar Hall, Audio Visual Theater and Mini Auditorium with video conferencing facility to conduct international , national seminars and webinars. The institute owns adequate transportation system facilitating students in their conveyance.

The institution provides individual hostel accommodations for both boys and girls. The ladies' hostel is in the college premises and therefore ensures a safe and secured environment for the girls. The institution provides seperate prayer halls for gents and ladies. The college has a strength of about 1500 students, 77 teaching staff and 20 non-teaching staff. We are proud to have several international publications to our credit and have three novel gene sequences deposited in the NCBI. We have an extensive library with 5317 books and 10 journals. The institution organizes faculty development programmes on a regular basis to help teachers to keep pace with the current educational system. Our students have also been continuously earning fellowships such as CSIR, DBT, INSPIRE, KSCSTE proving their academic excellence every year. We also hold an alumnus of several Ph.D holders and CSIR/ICAR/UGC NET bearers.

The students are provided ample opportunities for co-curricular and extra-curricular activities through National Service Scheme and different Club like Biodiversity Club, Literary Club, Women Development Cell, Entrepreneurship Development Club, Arts and Cultural Forum, Music Club, Tourism Club, Biochemistry Club (Team-Bios), Biotechnology Club (BIOVANCIA), Commerce Club (INSPIRO), Computer Science Club (Technok), Economics Club (Econotize), English Club (FEEL), Management Studies Club (Smart Club), Microbiology Club (Microvision) and Psychology Club (PSY Forum). Several international/national seminars/webinars, training programmes, industrial visits and workshops have also been conducted for the students to achieve their overall development. Tutorial system is well integrated into the educational system. It guides the students in acquiring academic excellence by providing them individual attention and counselling. The students are continuously assessed on the basis of their academic as well as individual progress and the parents are intimated about the progress of their wards from time to time.

Internal Quality Assurance Cell, Skill Development Centre, Placement Cell, Research Directorate are functioning in the college to rekindle the latent talents of students. The institution also initiated a step towards a green campus by constituting a biodiversity garden. The students are expected to come to the college in a prescribed uniform. The college has zero tolerance towards ragging. The students suspected or caught indulging in ragging will be punished after due enquiries as per the rules and regulations.

## Vision

To equip educationally and socially backward people in the northern part of Kerala for the national reconstruction by giving them quality education.

## Sir Syed Ahmed Khan (1817-1898)

(Founder, Aligarh Muslim University)

The blessed hands and real inspiration  
behind our success journey

## Mission

To enable and prepare the students to face the challenges of future by providing them with academic foundation which is intellectually, scientifically, culturally and morally sound.

8 Semesters – 4 Years (FYUGP)  
(Four Year Under Graduate Programme)

## B.Sc. Programmes

### B.Sc. Biotechnology

(Three Year U.G Degree, Four-year U.G Degree Honours & Four-year U.G Degree Honours With Research)

### B.Sc. Microbiology

(Three Year U.G Degree, Four-year U.G Degree Honours & Four-year U.G Degree Honours With Research)

### B.Sc. Computer Science

(Three Year U.G Degree, Four-year U.G Degree Honours)

### B.Sc. Biochemistry

(Three Year U.G Degree, Four-year U.G Degree Honours)

### B.Sc. Food Technology

(Three Year U.G Degree, Four-year U.G Degree Honours)

### B.Sc. Psychology

(Three Year U.G Degree, Four-year U.G Degree Honours)

## B.A. Programmes

### B.A. English Language And Literature

(Three Year U.G Degree, Four-year U.G Degree Honours)

### B.A. Economics

(Three Year U.G Degree, Four-year U.G Degree Honours)

## B.Com. Programmes

### B.Com. Computer Application

(Three Year U.G Degree, Four-year U.G Degree Honours)

### B.Com. Co-operation

(Three Year U.G Degree, Four-year U.G Degree Honours)

### B.Com. Finance

(Three Year U.G Degree, Four-year U.G Degree Honours)

## B.Com. Marketing

(Three Year U.G Degree, Four-year U.G Degree Honours)

## BBA Programme

(Three Year U.G Degree, Four-year U.G Degree Honours)

Approved by AICTE, Govt. of India.

## BCA Programme

(Three Year U.G Degree, Four-year U.G Degree Honours)

Approved by AICTE, Govt. of India.

## Courses Offered

M.Sc. Biotechnology

M.Sc. Microbiology

M.Sc. Biochemistry

## Post Graduate Programmes

4 Semesters – 2 Years

(Under Credit Based Semester System)

Any candidate who desires to obtain admission under the Kannur University for the Graduate /Post Graduate Degree Programmes should compulsorily register through online before the closure of registration, irrespective of the Category.

# CAMPUS FACILITIES

- Smart Modern Classrooms
- Central Library
- Men's and Ladies' Hostels
- Ultra-Modern Science Laboratories
- High-Capacity IT Labs for BCA and B. Com Students
- Auditorium and Mini Auditorium
- Seminar Hall
- Audio Visual Theater
- Conference Hall
- Cafeteria
- Playground for Sports and Games
- Prayer Hall
- Facilities for Differently Abled
- College Stationery Store

# HIGHLIGHTS

- 14 UG and 3 PG Programmes
- Consistent Academic Record with University Ranks Every Year
- Add-on Courses
- Certificate and Value-added Courses
- Internship and Project Facilities
- Scholarships by the Government
- Merit and Sahayi Scholarships by the PTA
- Coaching Centre for UGC-CSIR NET/JRF (Life Sciences)
- Students' Counselling Centre
- Biodiversity Garden
- Skill Development Centre
- Placement Cell
- Transportation Facility
- NCC and NSS Units
- Outreach Activities

## ADD-ON COURSES

- ACCA
- Artificial Intelligence and Machine Learning
- Cybersecurity
- Tally with GST
- Data Science and Analysis
- Management Skill Development Programme
- Business Analytics
- Digital Marketing
- Cloud Computing
- HACCP-Level 3 and Level 4
- Food Safety Level 4
- Methods and Interpretations in Clinical Biochemistry
- Water Quality Analysis and Adulteration of Milk
- Skill Development and Career Readiness
- Informatics in Economics
- Communicative English Training

## CERTIFICATE COURSES

- Certificate Course on Molecular Techniques in Clinical Applications
- Skill Enhancement Course on Advanced Biotechnology
- FoSTac (FSSAI Food Safety Training and Certification)
- Entrepreneurship and Startup Management
- Mental Status Examination
- Soft Skill, Digital Wellness and Personality Development Course
- Python Programming
- Personality Development Training
- LinkedIn Coursera Courses
- WRP Work Readiness Programme

Life at  
Sir Syed Institute
