COLLEGE PROFILE

Sir Syed Institute for Technical Studies is a prestigious project of Cannanore District Muslim Educational Association (C.D.M.E.A). It is named after Sir Syed Ahmed Khan to perpetuate the memory of the pioneer of muslim educational movement in India. The institution is purely secular, cosmopolitan and co-educational. It celebrates its twenty second year of unmatched excellence in shaping careers and building lives.

Sir Syed institute for Technical Studies is an unaided self-financing college affiliated to Kannur University. It started functioning in october 2002 and is in continuous pursuit of excellence and therefore provides quality education. It continues to make substantial progress every year, by way of its exemplary functioning. The institute offers 4 P.G courses in Computer Science , Biotechnology , Microbiology, Biochemistry and 13 U.G courses in B.Sc. Computer Science, B.Sc. Microbiology, B.Sc. Biochemistry, B.Sc. Biotechnology, B.Sc. Psychology, B.Sc. Food Technology, B.Com. Computer Application, B.Com Finance, B.Com Marketing, B.Com Co-operation , B.B.A , B.A English and B.A Economics. It proposes on adding more courses in future academic years for the growth and betterment of the students and society. Admission to all the courses is based on merit and management quota following all the norms of reservations laid down by the government. The college also offers central sector scholarship and post metric scholarship for minorities. The institution possesses outstanding infrastructure and state of the art facilities.

It also holds a computerized reference library with a well updated bibliotheca and a well-resourced IT Department. The departments of Biotechnology, Microbiology, Biochemistry and Psychology in the institution holds well-equipped and matchless laboratories that can easily keep pace with any of the modern research laboratories. Broad-band access within the college is smooth and uninterrupted. The institution also possesses a well-resourced seminar hall with video conferencing facility to conduct international , national seminars and webinars. The institute owns adequate transportation system facilitating students in their conveyance.

The institution provides individual hostel accommodations for both boys and girls. The ladies hostel is in the college premises and therefore ensures a safe and secured environment for the girls. The institution provides seperate prayer halls for gents and ladies. The college has a strength of about 1750 students, 73 teaching staffs and 21 non-teaching staffs. We are proud to have several international publications to our credit and have three novel gene sequences deposited in the NCBI. We have an extensive library with 5114 books and 10 journals. The institution organizes teachers training programmes on a regular basis to help teachers to keep pace with the current educational system. Our students have also been continuously earning fellowships such as CSIR, DBT, INSPIRE, KSCSTE proving their academic excellence every year. We also hold an alumnus of several Ph.D holders and CSIR/ICAR/UGC NET bearers. The students are provided ample opportunities for co-curricular and extra-curricular activities through National Service Scheme

and different clubs like Nature club, Arts and Cultural forum, Music club, Tourism club, Biochemistry club (Team-Bios), Biotechnology club (BIOVANCIA), Commerce club (INSPIRO), Computer Science club (Technok), Economics club (Econotize), English club (FEEL), Management Studies club (Smart club) Microbiology club (Microvision) and Psychology club (PSY Forum). Several international/national seminars/webinars, training programmes, industrial visits and workshops have also been conducted for the students to achieve their overall development. Tutorial system is well integrated into the educational system. It guides the students in acquiring academic excellence by providing them individual attention and counselling. The students are continuously assessed on the basis of their academic as well as individual progress and the parents are intimated about the progress of their wards from time to time.

Internal Quality Assurance Cell, Collegiate Student Grievance Redressal Committee, Placement Cell, Women Development Cell are functioning in the college to rekindle the latent talents of students. The institution also initiated a step towards a green campus by constituting a biodiversity garden. The students are expected to come to the college in a prescribed uniform. However, the P.G. students have been exempted from this uniform, but they are expected to maintain modesty in their dress code as per the practice adopted by the college. The college has zero tolerance towards ragging. The students suspected or caught indulging in ragging will be punished after due enquiries as per the rules and regulations.
