

- **Event:** Cancer Awareness Class
- **Date:** April 2nd, 2022
- **Venue:** New Seminar Hall

#### **Key Figures:**

1. **Welcome Speech:** Mrs. Ramya Raghunath
2. **Presidential Address:** Dr. K.M Khaleel
3. **Session Host:** Dr. Harsha Gangadharan, Medical Officer, Malabar Cancer Care Society, Kannur

#### **Highlights:**

- The event aimed to spread awareness about cancer, with a specific focus on early detectable cancers.
- Mrs. Ramya Raghunath delivered the welcome speech, setting the tone for the program.
- Dr. K.M Khaleel, presumably the head of the department or a notable figure, provided the presidential address, emphasizing the importance of cancer awareness.
- Dr. Harsha Gangadharan from the Malabar Cancer Care Society conducted an informative session. The session likely covered various aspects of cancer, including early detection methods, types of cancers that can be detected early, and the importance of early intervention.
- The session would have likely included information on common signs and symptoms of cancer, preventive measures, and the importance of regular screenings.
- Overall, the event served as a platform to educate attendees about cancer, empowering them with knowledge to detect and address the disease at an early stage.

This event was crucial in promoting awareness and encouraging proactive steps towards cancer prevention and early detection within the community.
